

# Mickey's RE Challenge

25th November 2022

In RE this week we started our new topic on 'Waiting.' We thought about how we wait for Christmas and the things that we do whilst we wait. We talked about how one of the things that we do whilst we wait for Christmas is open a different door on an Advent Calendar each day during December until Christmas arrives.

For this week's homework I would like the children to create their own Advent calendars to use at home during December. You do not need to return these school, just send me a picture on Dojo of them with their made calendar. If you want to you could also send a couple of pictures throughout December of the children using their calendar.

I am including an Advent Calendar template for the children to use, showing the Nativity. You don't have to use this, but if your child decides to create their own I would still like it to reflect the Nativity story in some way, and not pictures of superheroes, unicorns or princesses. The aim of this homework is to develop their understanding of how Advent is a time of waiting for Jesus to arrive.

# Story Time With Jesus

25th November 2022

For this week's Story Time With Jesus we are starting to think about the Christmas story. This week we are hearing about Mary and Joseph. Follow this link for the story:

When you have shared this story draw a picture of part of the story. You could add some sentences about what happened in this story too.

*(if the above link doesn't work when typing please visit our Class Dojo page. I shall post a link for this video in my end of week message)*
