

### Live video sessions—checklist:

- Child must be in a shared space, near an adult, and not alone in bedrooms.
- Please keep yourself 'muted' unless asked to 'unmute'.
- Make sure children (and any other visible family members) are dressed appropriately, no pyjamas.
- Follow our school rules whilst on the call.
- Please do not screen shot or record sessions as this would break safeguarding rules.

### Video Call Consent and Disclaimer.

Please note that in allowing your child to take part in the sessions you are agreeing to the following:

- Providing consent to us to retain information about your child's attendance at these sessions.
- You are agreeing to the above 'rules' regarding safe participation in these sessions.
- You understand that your name/your child's name will be visible to others in the session.
- A breach of these rules may result in your child being removed from the session and restricted from participating in the future.
