

The SSP spend 2016-18– so far...!

<i>Date</i>	<i>Spent on? Amount?</i>	<i>Rationale</i>	<i>Impact</i>
November 2016	Coaching £1000	Teachers have spent PE lessons watching a qualified PE coach and learning from his expertise.	Teachers have learned how to teach specific skills and have become more confident in teaching their own high quality PE lessons.
Year round	St Peter's Sports Stars Physical Literacy programme £2500	To offer some 'different' sports and activities to the more 'traditional ones, to up the level of exercise and wellbeing at lunchtimes, and to involve parents in the enjoyment of physical activity.	A lunchtime multi skills club, a curriculum lesson and an after school parent and child physical literacy class. This involves a 'get moving' lunch club. There is then a curriculum time session offered to one class every half term. Parents and children are then invited to attend workshops (together), on a variety of different subjects. Workshops that have been offered – 'Fun with Food', 'Boxing for Fitness', 'Healthy lunchboxes', 'Play for Real', 'Bowls' and 'Physical Literacy.' Children from different year groups have been offered the opportunity to come with their parents. Parent quote: "I would love to do more of these sessions – some more yoga, boxing, cheerleading, cycling, healthy eating and rounders".
January 2016	Kimbles EYFS dance training £30	To increase the quality of dance and movement sessions in the Early Years Foundation Stage.	Mr Wright (EYFS) accessed the Kimbles training in order to inform the teaching of dance in the early years. "The Kimbles training was really great as it was very hands-on. This meant that we had the opportunity to experience the activities and songs prior to using them with children, and to explore the different learning opportunities that the children would experience. It was also good how the course made links between the activities and brain development."
February 2016	Huff and Puff shed to reinstate lunchtime playleaders and equipment £105	Increase the levels of exercise and wellbeing at playtimes, as well as encouraging team games and building positive relationships, friendships and sporting	These will lead to more active and enjoyable playtimes encouraging friendships and teamwork as well as physical literacy.

		attitudes.	
February 2016	Dance resources £120 Cds Pom poms Scarves Kimbles CD lights		These resources will increase the enjoyment and quality of both dance lessons and the extra-curricular dance club offered on a Thursday and will also enhance EYFS dance sessions.
March 2016	Sport Relief Week – Physical activity workshops £960 getting kids moving Indian Dance workshops for the whole school £300 Go Rubicon skateboard workshops for the whole school £360 Combat Fitness workshops for the whole school £300	We have a high proportion of non active kids and wanted to find a way to ‘reach them’ – we decided to use the national sport relief week to get children involved in fundraising AND enjoying sport. We decided to book ‘non traditional’ sports – to try and introduce children to ‘different’ activities and get them thinking about ways they might get involved in physical activity.	The week was BRILLIANT! The children loved the activities, which were not ‘traditional’ sports. We managed to get the combat fitness guy, Sam, to agree to come and do an after school club and the lady who delivered the Indian dance is producing a dvd that she will send us to use in school, either as a ‘wake and shake’ type activity, or to use for an extra curricular club. The children thought the activities were ‘awesome’, ‘well cool’ and one child reported that; ‘this is the best week ever!’ We were thrilled to offer the children a broader experience of a range of sports and activities instead of the more traditional activities usually offered in school. Many children said they would be asking for skateboards for their birthdays/Christmas! 😊 Caroline Carter
April 2016	‘Every Move Counts’ and ‘Take 10’ resources £135	Increase ‘brain breaks’ and in-lesson physical activity.	Teachers are being encouraged to plan in ‘brain breaks’ and use these resources again in order to increase blood flow to the brain, increase serotonin levels and add ‘extra’ exercise to each child’s day.
April 2016	‘Kimbles’ dance training EYFS £40	To increase the quality of dance and movement sessions in the Early Years Foundation Stage.	Stuart Wright and Louisa Hallam attended. ‘Great practical ideas to use in our weekly music and movement session.’
April 2016 Saint Peter’s Sports Stars	Saint Peter’s Sports Stars extracurricular clubs:	We didn’t have much of a range of extra curricular	We need more of our children to get active. We are really focusing on encouraging children to build exercise into their daily lives – and to enjoy it!

extracurricular clubs: Playground games, Field games, Y2/3 multi sports	Playground games, Field games, Y2/3 multi sports Cost dependent on the number of children who take up the clubs offered (will use remainder of the 2015-16 allowance)	activities – particularly for some year groups so decided to spend a chunk of our SP on subsidising extra-curricular activities – to make them accessible for all. For just £5 a half term – ALL year groups are offered a sports club.	We are offering new extracurricular clubs as a heavily subsidised cost of just £5 per half term. Currently we offer Games to year 4, 5, and 6, Multi sports to years 2 and 3 and playground games to Y1 and EYFS. These clubs are being subsidised by the sport premium in order to reach ALL children – including ‘non sporty’ children and to also appeal to families who may not be able to afford the more costly dance club that we currently also run and the football club, currently only offered to upper juniors.
September 2016 – July 2017	The St Peter’s Sports Stars Physical Literacy programme will run again this year (cost of circa £3000)	Successful in previous years	- a curriculum lesson and an after school parent and child physical literacy class. This has been really successful this year and we are also thrilled to have been awarded a £750 grant towards this from Shire grants. (see impact documents held by PE coordinator)
September 2016	Hinckley and Bosworth School Sport Network £500 Affiliation fee		Paying this fee has meant that we have had access to 3 days of training for the PE coordinator (RealPE – ‘the best PE training I’ve ever been on’ – Caroline Carter) and access to the annual PE conference, allowing the school to be abreast of current affairs in physical education.
September 2016 and September 2017	HABBSA subscription £130 Affiliation fee.		This gives us access to the swimming gala, the local football league and the area sports athletics competition – all of which were enjoyed this academic year.
August 2017	Real PE whole school training £2000	Staff needed some ‘fresh’ PE training and Caroline had accessed this excellent CPD earlier in the year.	Awaiting anecdotes from trainees.
August 2017	School Sports Apprentice £2000	After having looked at the impact of having a sports apprentice (in other school) we decided to employ one for	For the upcoming academic year (2017-18) we have decided to employ a sports apprentice who will spend 7 hours a week training to deliver school sport at Loughborough College. She will spend the remaining 30 hours at school – helping to enhance the sporting opportunities offered to children.

		ourselves.	
Year round 2016-17	£600 Transport to and from competitions.	Transport needed to competitions.	We were able to organise buses to transport children to and from Level 2 competitions.
Year round 2017-18	£1500	There was a need for a primary school based competitions manager to help organise inter school competition that will feed into Level 3 competitions.	Competitions manager who will organise all the family of school competitions – to suit us and feed into the Level 3 competitions calendar.
<p>WHAT IS NEXT....? Here are some likely spends for 2018....</p> <ul style="list-style-type: none"> • Supplementing swimming lessons • Travel to competitions • Supplementing after school clubs • Paying for our sports apprentice • Paying for our competitions manager • Further CPD for staff
