Star of the Week Week Molly

for coming up with some super ideas in RE

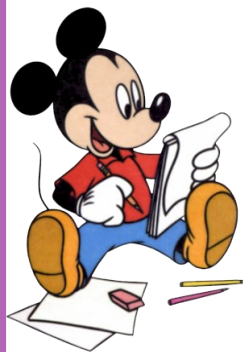

Well Done!

Homework

This week we have been thinking about belonging to other groups in RE, such as Beavers, Rainbows, church groups, sports clubs etc. We realised that one of the groups we belong to is our Class 1 family. For their homework I would like the children to design a badge showing that they belong to Class 1. Their design can show whatever is important to them about Class 1, such as the people in the class, the things they like to do in class, important features of the class such as Jesus, Mickey Mouse etc. ***They need to have the words Class 1 Family as part of their badge design.*** The children need to complete their design on the template on their homework

sheet and then bring this back into school. I am going to try and get their badges then made for them to wear.

There is also another 'Storytime With Jesus' for the children to watch this week.

Upcoming Event

On Friday 11th November Classes 1 & 5 take part in the Remembrance Service at the cenotaph in the centre of Earl Shilton. We will be leaving school at 10.25am to walk to the cenotaph. We shall then be back in time for lunch. If you would like to walk with us and join in this service please let me know.

Well, we have had a very busy first week back in Class 1 after our half term holiday. During the first half of the week we enjoyed sharing our half term adventures that you had posted on to Dojo. It was clear that the children had lots of fun whilst they were off.

In RE this week we started our new topic all about 'Belonging.' We started by thinking about our Big Question - what does it mean to belong? The children came up with some really interesting ideas to this question. We then thought about the different groups that we belong to. Our piece of scripture to start the topic was all about Jesus welcoming the little children.

In Literacy this week we have been finishing off our non-fiction work from last half term and thinking about writing instructions. We have been practising using the vocabulary '**first,**' '**next,**' '**then**' and '**finally,**' Next week we shall write a set of instructions before moving on to our new Literacy story of 'Little Charlie.'
