2nd December 2022

Star of the Week **FREDDIE**

for some careful map work in Geography this week.

Well Done!

Homework

This week's homework is linked to our RE work. This week we thought about how the Angel Gabriel came to visit Mary and tell her that she was going to have a special baby. Your job this week is look at a painting of the Annunciation and tell me about how this makes you feel.

There is also a new Story Time with Jesus video all about the Birth of Jesus.

Nativity

Our Nativity performance takes place next Wednesday (7th December) at St. Peter's Church in Hinckley. The performance will begin at 6.30pm.

On the night of the performance, we request that **children are dropped off at St Peter's Church, Hinckley at 5.30pm.** It is important they arrive promptly as we are hoping to do one final run through. Parents and guests will not be allowed into the church until 6.15pm, but you are welcome next door at the Mary Forryan centre from 5.30pm to enjoy a hot drink and mince pie for a small donation. All proceeds will be given to the school PTFA who do so much fantastic work for the school.

There will not be an entry fee for the production and all are welcome to come and support the children who are so very excited. However, there will be a collection at the end for the Hope House Orphanage which our school supports. Don't forget to bring your pennies. We look forward to seeing you all there.

Parent's Evening

It was lovely to catch up on Wednesday evening and let you know how your children are getting on in Class 1. I'm hoping that these meetings were a positive experience for you. All of the children have done so well this term and achieved so much.

Geography

In Geography this week we have been developing our map reading skills. We looked at a street map and thought about how this might be a useful tool for people. Then, using a street map of Earl Shilton we plotted some routes that people might take to get to school from different starting points in the village.
