

Mickey's Puzzle Challenge

30th September 2022

Mickey's homework this week is all about 4 things:

- 1) Developing your fine motor skills / hand-eye coordination
- 2) Getting you brain noticing patterns and where things join together
- 3) Being creative
- 4) Relaxing

You need to find a jigsaw to complete (if you haven't got a jigsaw at home find a picture from a magazine that you like and cut it into pieces so that you can put it back together). Jigsaws have been proven to help develop all of the above skills. They are also good fun. I would like you to challenge yourselves by trying to complete a tricky jigsaw (e.g. one that is more than 10 pieces). When you have completed your jigsaw post it into your online Dojo portfolio.

Mr. Wright will also be completing this challenge and will post his completed puzzle on Dojo over the weekend.

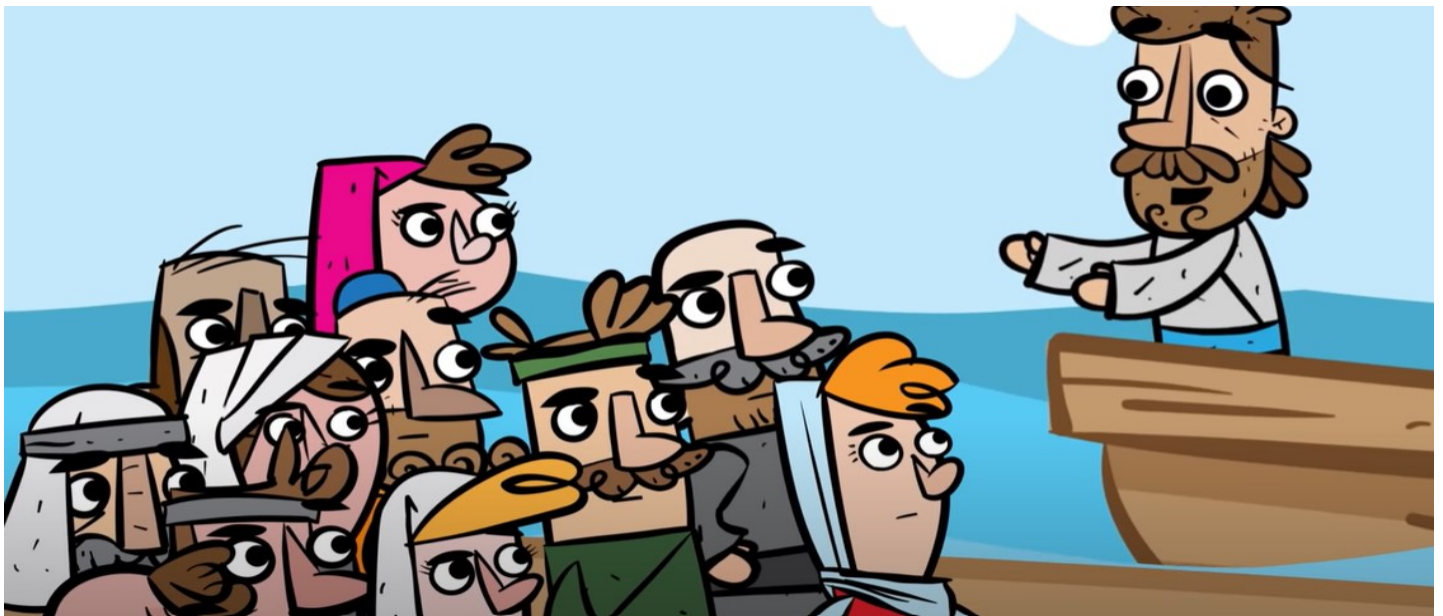

Story Time With Jesus

30th September 2022

In this week's Story Time With Jesus we hear one of Jesus' parables that he told. You can watch the video of this parable by following this link

[The Parable of the Farmer and the Seeds - YouTube](#)

When you have shared this story draw a picture of part of the story. You could add some sentences about what happened in this story too.

(if the above link doesn't work when typing please visit our class web page for a digital copy of the newsletter where you will be able to access the video by pressing on the link)
