Welcome Back!

Happy new year and welcome back to a brand new term in Class 1. Although it has been a shorter week this week the children have slipped straight back into the routine of school life.

We have another fun filled half term ahead of us. Our overarching topic this half term is based around the big question 'where is the best place for a little pig to build his house?' The children have already spent some time thinking about this. We shall revisit this question at the end of the half term and see if our learning has changed the ideas that we had this week.

To find out about more our topic and subjects this half term visit our class webpage on the school website
