## History

This week in History we started our brand new topic all about Kings and Queens. We started the topic by thinking about what a monarch was and what they did. We then thought about what makes a good monarch and what makes a bad monarch, and we created some of our own monarch rules...although some were slightly despotic! We then explored some of the significant Kings and Queens from British History. We acted out some of their stories and then we had a go at putting some of the monarchs reigns in order on a timeline.

## Snowy Fun

On Wednesday night and throughout Thursday Elsa was very busy creating a winter wonderland for all of us. We had lots of fun on Thursday building snow creations and experimenting with the snow.

## Maths

In Maths this week we have started looking at numbers up to 50. We were trying to work out how many lots of 10 and how many ones were in some numbers. We found this a bit tricky but we persevered. Luckily we didn't get as muddled as Donald Duck has!

## Star of the Week

# FAITH

for trying very hard in History this week.

Well Done!

## Homework

For this homework Mickey has a royal history challenge where you will be finding out about a monarch.

In Story Time with Jesus this week, you will hear all about the Transfiguration of Jesus which was part of our Collective Worship this week.
