

Mickey's Royal History Challenge

10th March 2023

In History this week we have been thinking about some of the important monarchs in British History. For your homework this week Mickey would like you to find out about a monarch of your choice and create a fact file all about them. See what interesting facts you can find out. You can find out about them using books from the library, using the internet or asking your family members what they know about your chosen monarch.

Some of the monarchs you might choose from are:

- William the Conqueror
 - King John
 - Richard III
 - Henry VIII
 - Elizabeth I
- Queen Victoria
 - Elizabeth II
 - Charles III

Or maybe you can think of a different king or queen to create a fact file about

Parents - although more legend and not necessarily historically accurate, the children can create a fact file about King Arthur if they wish to.
