

Mickey's 100 Years of Wonder Musical Challenge

3rd March 2023

Music and songs are a key feature of Disney storytelling. They help us to know more about our favourite characters and they help to tell and move the story along. These songs and music become not only part of the films but also part of us. For this week's challenge Mickey would like you to get musical and pay tribute to your favourite Disney song or movie. You can either sing your favourite Disney song and ask your grown-up to post it on to Class Dojo

OR

Find the favourite part of your favourite Disney film and create a piece of music to go with it. You can be as creative as you like with what you choose to use for instruments (e.g. saucepans for drums, empty bottles with different amounts of liquid in for chimes etc.) Ask your grown-up to film you playing your musical score along to the part of the movie you have composed it for and then post it on to Dojo.
