6TH OCTOBER 2023

## STAR OF THE WEEK

### Alicia

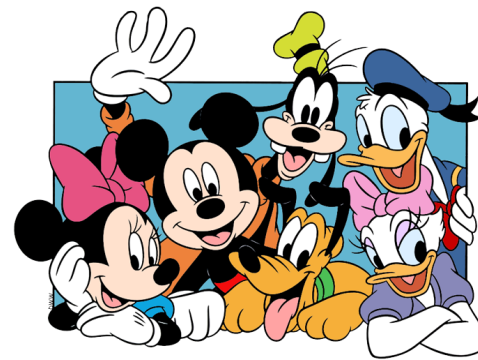

for being very kind towards others.

Well Done!

### Year 6 Welcome Assembly Friday 13th

Our friends in Class 6 came to visit us on Thursday to find out all about us. We spent time chatting to them and playing with them in our classroom. Class 6 would like to formally welcome our Reception class to the school by having a special 'Welcome Assembly.' The children in our class will also each be gifted a Bible during the assembly. If you would like to come along and share in this assembly you are more than welcome.

The assembly will start at 9am.

Don't forget that we will also have our special Act of Worship to celebrate our first half term in school at 2.30pm, which we would also love to have you join us for.

### Maths

One of our jobs in Maths next week will be looking at capacity. We shall be looking at different sized boxes and objects and thinking about which objects could fit into a box and which couldn't. You could try this out at home over the weekend by getting different sized containers and objects and working out which objects could fit into which container.

### RE

Next week in RE we shall have our first 'Other Faiths' week of the year. We shall be looking at Judaism which also plays an important role in the Christian faith. For this topic we shall be thinking about Hanukkah, the Festival of Lights, and hearing the story of the oil lamp in the Temple. We shall think about how this story and festival show how God cares for his people.

### Homework

For your homework I would like you to make sure that you have read your reading book to a grown up at home.

You could also practice the sounds we have learned in phonics by watching the videos again

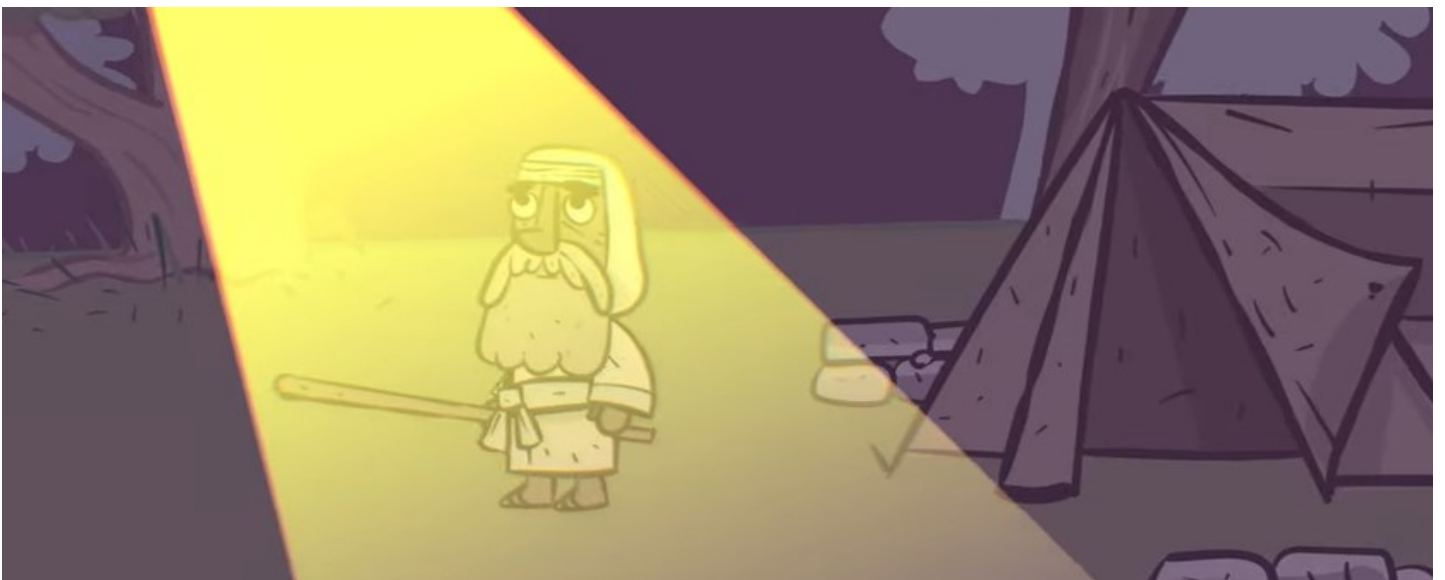

# Story Time With Jesus

6th October 2023

In this week's Story Time With Jesus we hear a story from the Old Testament all about God's promise to Abraham. This story has links to the work on Judaism that we shall do next week. You can watch the video by following this link

<https://www.youtube.com/watch?v=zUhs-MWoTbg>

After watching the video spend some time chatting about the story. If you wish you could draw a picture of Jesus and the children.

*(if the above link doesn't work when typing please visit our Class Dojo page. I shall post a link for this video in my end of week message)*
