### Understanding The World Around Us

This week some of our work in 'Understanding The World Around Us' including exploring why we have Remembrance Day on 11th November. We discovered that the reason we have Remembrance Day every year is so that we can remember all the soldiers who have lost their lives in war so that we could live in freedom and safety.

The children made their own poppies from cut outs of their hands, and they also decorated a poppy poster with a red handprint to help them remember the reason for Remembrance Day. We finished our work on Remembrance Day with a short Act of Worship, and we held our own 2 minute silence.

### Homework

For your homework I would like you to make sure that you have read your reading book to a grown up at home.

I would also like you to play some of the Fred Games that I will be posting on Class Dojo at the end of Friday.

# Story Time With Jesus

10th November 2023

In this week's Story Time With Jesus we hear from Matthew's gospel. In this story time we hear how Jesus amazed His disciples by walking on water during a great storm.

You can watch the video by following this link

After watching the video spend some time chatting about the story. If you wish you could draw a picture of Jesus and the children.

*(if the above link doesn't work when typing please visit our Class Dojo page. I shall post a link for this video in my end of week message)*
